

a fast, reliable plumbing, gas or electrical solution

Alinta Energy Assist provides trustworthy, reliable service every day, specialising in repairs, maintenance and installation for all your home's gas, plumbing, hot water and electrical needs.

For emergencies call before 12 noon and we'll repair any of the following problems that same day:

- No hot water
- Blocked sewer drain
- Major gas leaks
- Major water leaks
- Complete power loss (excluding blackouts)

For service you can trust call
Alinta Energy Assist on 1800 508 088

We operate in the Perth metropolitan and Mandurah areas.

Emergency replacement may take longer than one day if finance is sought. Other terms and conditions apply – see www.alintaenergyassist.com.au for details. PL 1625 EC 8548 AU 29552

Avoid the hassle of a breakdown in hot weather!

Evaporative or split system air conditioner servicing

\$130*

We recommend servicing air conditioners every two years and these special offers could help you save energy, reduce safety risks to your family and minimise long term appliance running costs.

Call Alinta Energy Assist on 1800 508 088 today.

* Terms and conditions apply. Visit www.alintaenergyassist.com.au. The cost of any replacement parts or labour for installing replacement parts is not included. Cost of air conditioner servicing is based on a single storey property.
